My Competency Development Plan

What behavior do I want to improve?

What would the impact on my role and business be if I no longer did this behavior?

What can I do to start getting ready to improve?

1.

2.

3.

What steps do I need to take to make these improvements happen?

What can others do to help me improve my behavior?

1.

2.

3.

How will I know that I am making progress?

What would the impact be if I start going back to my old behavior?

What is something I can do today to start improving my behavior?
